

For over 40 years, Dr. Maria D. Michael has been connecting those in physical, mental and emotional pain with the spirit through her one of a kind healing circles and traditional Native American ceremonies. Join Dr. Michael as she shares a group healing circle ceremony/workshop called: ***From Spirit with Love*** on Sunday, April 2nd from 12:30-4:30 at Terra's Temple, 3051 Adeline Street in Berkeley. This month's topic will be, ***"Physical Healing from Within"***.

Have you Found Yourself Asking.....

How do I get to a place of inner balance and alignment?

How do I heal from my past traumas?

How do I heal my physical pain from my medical condition?

This experiential workshop was designed to promote individual and group healing on physical, mental, emotional and spiritual levels. It is a guided interactive process, in which participants will experience a variety of techniques using LIGHT, SOUNDS, TOUCH, ENERGY AND ANCIENT WISDOM HEALING TECHNIQUES.

Some of our Past Participant's Experiences include:

"Maria holds a beautiful space for deep healing which has led me personally and my students to the most life-changing and amazing shifts at every level: emotional, mental, spiritual, and physical."

"The sessions shifted my mind from doubt, despair and fear to a lightened up state of hope, ease and joy."
